

EATA230

Heatmiser Electro Thermal Actuator 230V

Technical Specification

Power Consumption: 230VAC, 2W

IP Protection: IP54

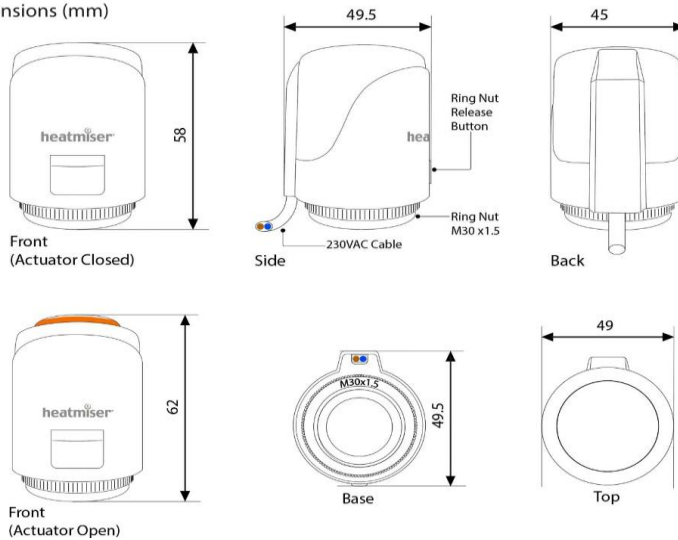

Stroke: 3.5mm +/- 0.5

Valve Connection: Threaded Ring nut M30 x1.5

Opening Time: Start: 120 Seconds Finish: 180 Seconds

Weight: 127g

Product Dimensions (mm)
