

**FWCB8005BL**

Carbon Trigger Body Spray Set Satin Black

1.2m hose with integrated elbow, built in check valve, adjustable angle fork, trigger hand piece is chrome on brass (not plastic)

A brass handle finished in a durable satin black finish

Designed as a supplementary hand shower to be installed in conjunction with a 'primary' shower head

To be installed with an isolator or shower mixer

Mains pressure only

Recommended working pressure 200 – 500kPa (balanced)

Must not be left under pressure

**CARE AND USE****Tapware**

All finishes are smooth, abrasion resistant, corrosion resistant, fade-proof and easy to clean. All finishes are super hard wearing surfaces that won't chip, peel or tarnish with normal use. All surfaces should be regularly wiped clean with non scouring, neutral wash solutions.
