

Dial Concealed Shower Mixer

FWD2077DC

Dial Concealed Shower Mixer Dark Concrete

Reminiscent of the 90's when progressive shower mixers were a staple in any bathroom, these minimalist mixers are now rising once again in popularity. Their compact and minimal aesthetic affords them to take up less space, while maintaining a sleek and cohesive design.

These shower mixers use progressive cartridge technology, and allow ease of operation as the user twists the dial around to achieve precise temperature control.

Mains pressure only

CARE AND USE

Tapware

All finishes are smooth, abrasion resistant, corrosion resistant, fade-proof and easy to clean. All finishes are super hard wearing surfaces that won't chip, peel or tarnish with normal use. All surfaces should be regularly wiped clean with non scouring, neutral wash solutions.
