

Gooseneck Kitchen Mixer

FWK0632CP

Orbit Gooseneck Kitchen Mixer Chrome

The Orbit mixer with its compact design, featuring a soft tear drop shaped spout is an elegant addition and perfect for a small scullery sink or elegant bar or coffee station. With the height that the gooseneck spout offers, it also works brilliantly with a vessel basin installation in any bathroom space. The single handle 'progressive' mixer allows you to precisely control the flow and temperature together in one clockwise movement.

220mm aerator height x 205mm reach

Mains pressure only

Recommended working pressure 200 – 500kPa (balanced)

Ceramic disc cartridge

35mm hole cut out size required for installation

CARE AND USE

Tapware

All finishes are smooth, abrasion resistant, corrosion resistant, fade-proof and easy to clean. All finishes are super hard wearing surfaces that won't chip, peel or tarnish with normal use. All surfaces should be regularly wiped clean with non scouring, neutral wash solutions.
