iStone Deep Rectangle Basin 600 x 400 x 150mm Gloss White

iStone gloss white deep rectangle basin

600mm wide x 400mm deep x 150mm high

Made from a solid homogeneous composite material (finished with a thick glossy layer of gel coat) which is dimensionally accurate, inert, non toxic, durable and repairable.

CARE AND USE

Gloss stone resin basins and baths

The gloss finish on these products is a generous layer of 'gel-coat' which should be regularly wiped clean with non scouring, neutral wash solutions. Lost luster can be returned using a similar range of products you might use to polish a car paint job. For severe scratching start with a cutting compound.
