THE WATERWARE STORY

We're Waterware

Since 1989, our passion has been delivering quality in all things plumbing, central heating and cooling, and bathroomware.

Waterware is proudly New Zealand owned and operated.

From the outset we've been supporting the market with technical and design knowledge, helping deliver solutions that are functional, intuitive and beautiful. We're working hard to make your life easier. Waterware are innovators setting the pace in New Zealand with hydraulic radiant heating and cooling technology, high-performance plumbing fittings, and on-trend bathroomware.

Our Commitment

We're on a mission to make lives easier with plumbing, central heating and cooling, and bathroomware solutions that look great and perform their best.

Waterware is constantly evolving to lead the market while reflecting our values of integrity, bold thinking, and genuine partnerships with everyone we interact with. We want to create environments of success for everyone involved.

We take special pride in our pre and post-sales service experience, and our impressive network of business relationships around the world. Over the years, we've connected with thousands of like-minded partners to help us source products that suit our local market and perform better than any others.

Our products are supported by our extensive range of spare parts, and our in-house Installer Training and Warranty Assurance programmes, so you can rest assured that you'll be taken care of.
